

DORIC DN560 SLIDING WINDOW MORTISE LOCK

OVERVIEW:

The Doric DN560 Sliding Window mortise lock is a premium sliding window lock that offers a sleek & contemporary look, as well as the added benefit of a mortise locking system that hides the lock operation within the stile/jamb.

FEATURES:

- Available in Black, White, Silver & Satin Chrome finish. Custom colours available upon request.
- Zinc plated internal components for strength, quality and durability.
- Non-handed latching tongue enables ease of adjustment and handling.
