

ZANDA OMEGA 1800MM OFFSET ENTRY DOOR HANDLE SET

OVERVIEW:

The Zanda Omega 1800mm offset entry door handle set is the only way to set off that front entry door. The elegance of a 1800mm high stainless steel handle is a great way to complement any entry pivot or hinged door.

FEATURES:

- Shorter length handle available upon request.
- 316 marine grade high quality stainless steel finish.
- 32mm diameter.
